CORAM: D.K.DESHMUKH, J.

DATED: 22ND NOVEMBER,2006

P.C.:

By this petition filed under Section 9 the Petitioner is praying for an interim order restraining the Respondent from awarding the contract for doing the remaining work to anybody else.

. This interim relief is sought because according to the Petitioner the termination of his contract is not valid. Assuming that the termination of the contract of the Petitioner not valid, the loss that the Petitioner is likely to suffer is capable of being compensated in terms of money. In other words, the Petitioner is not likely to suffer any irreparable injury if the interim order is declined. The Petitioner is, therefore, not entitled to any interim relief. Petition disposed of.
